When you found somebody new I thought I never would  
Forget you for I thought then I never could  
But time has taken all the pain away until now I'm down  
to hurtin' once a day  
Once a day all day long and once a night from dusk till  
dawn  
The only time I wish you weren't gone is once a day  
every day all day long  
[ brass ]  
I'm so glad that I'm not like a friend I knew one time  
He lost the one he loved then slowly lost his mind  
He sat around and cried his life away lucky me I'm only  
crying once a day

Once a day all day long...  
Once a day every day all day long
