(Al Dexter)

Rosalita, my little rose of the rancho  
You won my heart down by the Rio  
Dry your eyes dear and don't be blue  
Juanita, I'll come back to you, my Rosalita.

Each night I tell the moon on high and all its glory  
'Bout you and I and days gone by and love's real story  
Rosalita, another day now is dawning  
For you I'm longing, my Rosalita.

--- Instrumental ---

(Rosalita, Rosalita.)

Each night I tell the moon on high and all its glory  
'Bout you and I and days gone by and love's real story  
Rosalita, another day now is dawning  
For you I'm longing, my Rosalita...
