Hmm hmm hmm hmm I'm lonely hmm hmm hmm
hmm I'm blue
Hmm hmm hmm hmm I miss you hmm
hmm I do

You been gone just seven days but it seems like seven
years
Come on back and love me I'll cause you no more tears
The day you left I thought I try to be a big big man
Seven days without you now I know I never can
Hmm hmm hmm I'm lonely...
[guitar]
I know I was doing things that I shouldn't do
Cross my heart I'll make commands cause I'm in love
with you

Think it over in your mind please have sympathy
Seven days without your love I'm lonely as can be
Hmm hmm hmm I'm lonely...
Hmm I do
