Sometimes I get so lonely  
And I don't know what to do  
Though there's people all around me  
Still I feel so sad and blue.

Then I heard your happy laughter  
As though an angel were to sing  
And I knew that I was bankrupt  
And you were wealthy as a king.

My heart's so cold and lonely  
That I live in poverty  
Your heart's so warm and lovin'  
You are richer more than me.

Won't you share your precious laughter  
You're so rich in happiness  
Lend your love to one who needs it  
And your share will not grow less.

--- Instrumental ---

A wealth you have to offer  
Can't be bought with worldly gold  
The love that gold can purchase  
Is kinda bitter and oh so cold.

I am just a beggar pleading  
For a smile from you  
Lend your love to one who needs it  
Won't you make me wealthy too?...
