(Charlie Craig)

Well, I don't understand
What you expect me to do
I've done everything I possibly can
And then a little extra too.

But still you turn up your nose
I guess it's just no use
I'd sit, I'd quit ole nothing's gonna get
So turn ole nothing loose.

Turn me loose, let me go
You don't want me anymore
Step aside let ole nothing
Out the door.

I guess you're too high class
For a little ole nothing like me
We both ought to know by now
That I can't be what you want me to be.

You drove me up to settled rules
But you do what you choose
I can't be no substitute
So turn ole nothing loose.

Turn me loose, let me go
You don't want me anymore
Step aside let ole nothing
Out the door.

You don't like the way I talk
The way I comb my hair
You don't appreciate the things I do
You don't like the clothes I wear.

I'm supposed to act like a millionaire
But I ain't got no dough
You don't think I'm nothing
So let ole nothing go.

Turn me loose, let me go
You don't want me anymore
Step aside let ole nothing
Out the door.

Step aside let ole nothing
Out the door...
