From the great Atlantic ocean to the wide Pacific shore
From the queen of glowin' mountains to the south hills
by the shore
She's mighty tall and handsome and known quite well
by all
She's a combination on the Wabash Cannonball
She came down from Birmingham one cold December
day
As she rolled into the station you could hear all the
people say
There's a girl from Tennessee she's long and she's tall
She came down from Birmingham on the Wabash
Cannonball
[guitar]
Our eastern states are dandy so the people always say
From New York to St Louis and Chicago by the way
From the hills of Minnesota where the rippling waters
fall

No changes can be taken on the Wabash Cannonball
Listen to the jingle the rumble and the roar
As she glides along the woodlands through the hills
and by the shore
Hear the mighty rush of the engine hear that lonesome
hobo's call
You're travlin' through the jungle on the Wabash
Cannonball
