Tell me, why baby, why baby, why baby, why  
You make me cry baby, cry baby, cry baby, cry  
I can't help but love you till the day that I die  
But tell me, why baby, why baby, why baby, why

Well, I got a crow I wanna pick with you  
Just like last time when the feathers flew  
You're running wild a kickin' up your heels  
You're leavin' me home with a handful of bills

I can't live without you and you know it's true  
But there's no livin' with you, so what'll I do  
I'm goin' honky tonkin' get as tight as I can  
And maybe by then you'll preciate a good man

Tell me, why baby, why baby, why baby, why  
You make me cry baby, cry baby, cry baby, cry  
I can't help but love you till the day that I die  
But tell me, why baby, why baby, why baby, why

Well, I don't know but I've heard you say  
That every little dog is gonna have his day  
You better pay attention don't you dare forget  
'Cause I'm just a little bitty puppy yet

I caught you honky tonkin' with my best friend  
The time to do was to leave you, but I should have left  
then  
Now, I'm too old to leave you but I still get sore  
When you come home a feelin' for the knob on the door

Tell me, why baby, why baby, why baby, why  
You make me cry baby, cry baby, cry baby, cry  
I can't help but love you till the day that I die  
But tell me, why baby, why baby, why baby, why

Tell me, why baby, why baby, why baby, why
