Who did you say it was brother who was it fell by the
way
When whiskey and blood ran together did you hear
anyone pray
When I heard the crash on the highway I knew what is
was from the start
I went to the scene of destruction a picture was
stamped on my heart
I didn't hear nobody pray dear brother I didn't hear
nobody pray
I've heard the crash on the highway but I didn't hear
nobody pray

The whiskey and blood ran together mixed up with the
glass where they lay
Fate Played her hand in destruction but I didn't hear
nobody pray
I wish I could change this sad story that I am now telling
you
But there is no way I can change it somebody's life is
now through
I didn't hear nobody pray...
