I was walking through the jungle just the other night
Oh well, I heard a big a-rumble and I thought it was a
fight

We stopped there to listen, I began to move my feet
It was a jungle drummer doin' a knocked out beat
It was a jungle, jungle, jungle, jungle rock
A jungle, jungle, jungle, jungle rock
A jungle, jungle, jungle, jungle rock
A jungle, jungle, jungle, jungle rock
A knocked out beat and I had to move my feet
It was a jungle, jungle, jungle, jungle rock

Oh well, I moved a little closer just to get a better view
I saw a chimp and a monkey hat done the Suzy Q
Oh well, a-gator and a hippo was a-doin' the bop, while
a great big frog was a-makin' me hop
It was a jungle, jungle, jungle, jungle rock
A jungle, jungle, jungle, jungle rock
A jungle, jungle, jungle, jungle rock
A jungle, jungle, jungle, jungle rock
A knocked out beat and I had to move my feet
It was a jungle, jungle, jungle, jungle rock

Oh well, the fox grabbed the rabbit and they hit the
bunny hug
And all the beasts that fly was a-cuttin' the rug
Oh well, the camel was a jitter buggin' with a kangaroo
And the elephant, the mover, with the ring-ding-oo
It was a jungle, jungle, jungle, jungle rock
A jungle, jungle, jungle, jungle rock
A jungle, jungle, jungle, jungle rock
A jungle, jungle, jungle, jungle rock
A knocked out beat and I had to move my feet
It was a jungle, jungle, jungle, jungle rock
A jungle, jungle, jungle, jungle rock
A jungle, jungle, jungle, jungle rock
