Don't tell me that you want me tonight  
Cause all we ever do is just fight  
Don't tell me that you love me tonight  
The heart is down and love  
Is getting wronger than right

We'd began with laugh  
And love to lovely day  
Holding hands  
We'd run like childrens out in play  
And our lies we'd share  
Together every word  
Through time...  
(Through time...)

We would talk all night  
While reaching for the dawn  
And the past of gold  
Could never be sold  
But the time goes by  
With feelings inside  
Just don't...  
Just don't...

Don't tell me that you want me tonight  
Cause all we ever do is just fight  
Don't tell me that you love me tonight  
The heart is down and love  
Is getting wronger than right

So we can't go on  
Our problems are much more  
Understand my words  
Are only just to warn  
That we must decide  
To give up this love  
And time...  
(And time...)

It's a shame we've lost  
The fire that we had  
And you know I'll miss

Your loving really bad  
But at least for now  
It's better be a friends  
And try...  
And try...
