If heartaches brought fame in love's crazy game  
I'd be a legend in my time  
If they gave gold statues for tears and regrets  
I'd be a legend in my time.

But they don't give awards and there's no praise or  
fame  
For a heart that's been broken over love that's in vain  
If loneliness meant world acclaim then everyone would  
know my name  
I'd be a legend in my time.

(But they don't give awards and there's no praise or  
fame)  
For a heart that's been broken over love that's in vain  
(If loneliness meant world acclaim then everyone would  
know my name)  
I'd be a legend in my time...
