"Born To Be Happy"

Born to be happy but always so sad
Born to be good but always so bad
Born to be somebody with faith in all I do
Born to be happy but lost without you.

Without you my anchor's gone my ship will wander on
Like a gambler's money his money has no home
Born to be lucky but I always lose
Born to be happy but lost without you.

--- Instrumental ---

Without you my anchor's gone my ship will wander on
Like a gambler's money his money has no home
Born to be lucky but I always lose
Born to be happy but lost without you...
