Hey pretty mama, I'm as blue as the skies above  
Hey pretty mama, you're the only woman I love  
And your daddy's gonna love you but I just can't have  
you blues  
Honey ease my mind.

You told me if I called you on the phone tonight you'd  
be in  
What makes you tell me them lies when you know it's a  
doggone sin  
I guess I'll have to settle for them lovin' can't have you  
blues  
She just wasn't there that's all.

--- Instrumental ---

You may be havin' your fun you may be out on the run  
that's fine  
But a love like yours baby someday is bound to go  
blind  
So come home because your daddy's got them love  
you can't have you blues  
You gotta change your mind

--- Instrumental ---

I've reached my verdict that you women are all the  
same  
You run away and leave me then you say I got myself to  
blame  
So come on back daddy's got them love you can't have  
you blues  
I'll never change my mind.

--- Instrumental ---

If I look at the wall that old wall looks back at me  
Everywhere that I look it's the same old color to me  
blue  
So hurry home daddy's got them love  
Tou can't have you blues...
