Oh conscience, I'm guilty, I'm guilty again.

Now I'm driving home slowly, my spirit's so low  
I cheated on her again and why I'll never know  
I hope I don't look too guilty when she lets me in  
Oh conscience, don't ever let me do that again.

Oh conscience, I'm guilty and I must confess  
Why I kissed her I knew I love the other one best  
I've been out with an old flame who's heart's full of sin  
Oh conscience, don't ever let me do that again.

--- Instrumental ---

Between right and the wrong the love and desire  
This game that I'm playing's more danger than fire  
I might talk in my sleep or be caught by her friend  
Oh conscience, don't ever let me do that again.

Oh conscience, I'm guilty and I must confess  
Why I kissed her I knew I love the other one best  
I've been out with an old flame who's heart's full of sin  
Oh conscience, don't ever let me do that again...
