Cross the Brazos at Waco  
Ride hard and I'll make it by dawn  
Cross the Brazos at Waco  
I'm safe when I reach San Antone.

On the Chisholm Trail it was midnight  
Carmela was strong on his mind  
Because of the life he have chosen  
Carmela had left him behind.

Too long he'd been el bandito  
Carmela had left him alone  
But today someone brought a message  
She'd been seen in old San Antone.

Cross the Brazos at Waco  
Ride hard and I'll make it by dawn  
Cross the Brazos at Waco  
I'm safe when I reach San Antone.

--- Instrumental ---

Then the night came alight with gunfire  
He knew that at last he'd been found  
As the ranger's bad shoot rightly  
El bandito laid on the ground.

Carmela she knew he was dying  
That all of her dreams were in vain  
As she kissed his lips for the last time  
She heard him whisper again.

Cross the Brazos at Waco  
Ride hard and I'll make it by dawn  
Cross the Brazos at Waco  
I'm safe when I reach San Antone...
