I loved you so what made you go  
Why did you say I need you so  
Oh why, oh why did you go away  
Oh why, oh why couldn't you stay?

I keep cryin', cryin'  
Prayin', prayin'  
Waitin', waitin'  
Hopin', hopin'.

That someday you'll come back and understand  
I keep wishin', wishin', wantin', wantin'  
Cravin', cravin', beggin', beggin'  
That someday you will come back again.

You said that you would always be true  
That you would never, never make me blue  
But someone else then came along  
And now I'm left all alone...
