There are so many classy guys with classy uptown
ways

And I am so afraid that they will steal you someday

But don't let 'em darlin' cause you belong to me

So don't ever let them make you think your love is
fancy free

Don't do it darlin' that heart belongs to me.

They'll tell you that I trifle and that you should do the
same

They'll tell you that they need your love so why not
make the change

Don't do it darlin' that love belongs to me

Oh please don't let them blind you I still love you can't
you see

Don't let 'em darlin' that heart belongs to me.

--- Harp - Guitar - Fiddle Instrumental ---

They'll offer you a mansion ask you if you will be their
queen

So they can give you riches make your life a happy
dream

But don't you let 'em darlin' that dream belongs to me

Oh sure they'll try to buy your love with riches such as
these

But let 'em darlin' that heart belongs to me.

No, don't do it darlin' that heart belongs to me...
