Don't sing Aloha when I go  
Because I'm coming back you know  
Don't sing Aloha though I cry  
Our parting just not means goodbye.

I'll dream of you in Waikiki  
That's where I always long to be  
Just smile and say you'll miss me so  
Don't sing Aloha when I go.

--- Instrumental ---

Don't sing Aloha when I go  
Because I'm coming back you know  
Don't sing Aloha though I cry  
Our parting just not means goodbye.

I'll dream of you in Waikiki  
That's where I always long to be  
Just smile and say you'll miss me so  
Don't sing Aloha when I go.

Don't sing Aloha when I go.  
Don't sing Aloha when I go...
