Down the trail of achin' hearts
Where nobody's hidin' their tears
You sent me there where sadness starts
Down the trail of achin' hearts.

You told me I was your darling
You kept me hanging around
Somebody else is your darling
So lonesome and blue I'll be found.

Down the trail of achin' hearts
Where nobody's hidin' their tears
You sent me there where sadness starts
Down the trail of achin' hearts.

--- Instrumental ---

Once I was passing your window
Under the light of a star
Somebody else played my love song
And played it on my old guitar.

Down the trail of achin' hearts
Where nobody's hidin' their tears
You sent me there where sadness starts
Down the trail of achin' hearts...
