From a jack to a king  
From loneliness to a wedding ring  
I played an ace and I won a queen  
And walked away with your heart.

From a jack to a king  
With no regrets I stacked the cards last night  
And lady luck played her hand just right  
To make me king of your heart.

For just a little while  
I thought that I might lose the game  
Then just in time I saw  
The twinkle in your eye.

From a jack to a king  
From loneliness to a wedding ring  
I played an ace and I won a queen  
You made me king of your heart.

For just a little while  
I thought that I might lose the game  
Then just in time I saw  
The twinkle in your eye.

From a jack to a king  
From loneliness to a wedding ring  
I played an ace and I won a queen  
You made me king of your heart...
