A cowboy took a trip to Hawaii
And on a beach one day of Waikii
The music that he heard was so enchanting
He lost his heart to sing this melody.

I wanna hear you sing my lady
And hear you play your ukulelaili
I wanna stay here in Hawaii
And learn the wikki, wikki, waiki woo.

I wanna love you and woo and woo you
I'll stop my ridin', ropin', lopin' and then return to you
If you will sing my lady
A song of love beaneath that Hawaiian sky.

--- Instrumental ---

I wanna love you and woo and woo you
I'll stop my ridin', ropin', lopin' and then return to you
If you will sing my lady
A song of love beaneath that Hawaiian sky...
