I went to your wedding although I was dreading  
The thought of losing you  
The organ was playing, my poor heart kept saying  
Your dreams, your dreams are through.

You came down the aisle wearing a smile,  
A vision of loveliness  
I uttered a sigh then whispered goodbye,  
Goodbye to my happiness.

Your mother was crying, your father was crying  
And I was crying too  
The teardrops were falling  
Because we were losing you.

--- Instrumental ---

Your mother was crying, your father was crying  
And I was crying too  
The teardrops were falling  
Because we were losing you...
