It's four in the morning and once more the dawning just
woke up the wanting in me
Wishing I'd never met her knowing if I'd forget her,
How much better off she would be
The longer I hold on the longer this goes on the harder
that it's going to be
But it's four in the morning and once more the dawning
just woke up the wanting in me

I've never deserved her God knows when I hurt her,
that's the last thing that I want to do
She tries but she can't tell how she feels but I know too
well what she's going through
If I really love her I don't know why I can't do the right
thing and just let her be
But it's four in the morning and once more the dawning
just woke up the wanting in me

Last night I told her this time it's all over making ten
times I told her goodbye
Last night we broke up this morning I woke up and for
the tenth time I'm changing my mind
I saw more love in her eyes when I left her than most
foolish men will ever see
But it's four in the morning and once more the dawning
just woke up the wanting in me
Yes it's four in the morning and once more the dawning
just woke up the wanting in me
