As the twilight shadows deepen  
Where the weeping willow waves  
All alone in tears I'm kneeling  
O'er my sweetheart's lonely grave.

Chorus:

I am asking God's forgiveness  
For you're waiting there I know  
Out beyond that blue horizon  
Just across the bridge of gold.

I regret those words I've spoken  
Every yesterday of tears  
That I caused you little darling  
As we wandered through the years.

Chorus:

I am asking God's forgiveness  
For you're waiting there I know  
Out beyond that blue horizon  
Just across the bridge of gold.

If I'd only read your letter  
Saying you were in despair  
That your weary heart was broken  
And in pain was lying there.

Chorus:

I am asking God's forgiveness  
For you're waiting there I know  
Out beyond that blue horizon  
Just across the bridge of gold.

I tonight would not be weeping  
O'er the roses on your grave  
But instead dear I'd be happy  
And this sorrow I'd have saved.

Chorus:

I am asking God's forgiveness  
For you're waiting there I know  
Out beyond that blue horizon

Just across the bridge of gold.

If I only would have listened  
When you told me not to stray  
But I said I loved another  
Left you there and went away.

Chorus:

I am asking God's forgiveness  
For you're waiting there I know  
Out beyond that blue horizon  
Just across the bridge of gold.

Now my life is sad and lonely  
Down life's path I trudge along  
But I'll meet you up in heaven  
When from this old world I've gone.

Chorus:

I am asking God's forgiveness  
For you're waiting there I know  
Out beyond that blue horizon  
Just across the bridge of gold...
