I can't believe that you're honestly thinking of leavin'
me

Cause I thought that leavin' really wasn't even on your
mind

I'm drowning in tears drowning constantly nearer to
misery

Just bidin' my time while the glow from the wine make a
fool of me

Over and over I practice every day

What to say when I see you but when I see you my tears
get in the way

Just bidin' my time while the glow from the wine makes
a fool of me

I spend my nights making up things I might have to say
to you

To stop you from goin' yet keep you from knowin' how I
feel

But till the light says goodbye to the night and your
face I see

I'll just bidin' my time while the glow from the wine
makes a fool of me

Over and over...
