Within the prison of my soul
Locked within my troubled mind
Is a love I can't forget
'Cause she's just one of a kind.

Just a plain old fashioned girl
The kind a man don't have to tame
When he starts to settle down
He's proud to let her wear his name.

Within my hand I hold the key
Do I dare to set her free
Got a feelin' in my mind
Got that she's just one of a kind.

--- Instrumental ---

Pulled away from my hometown
Thought I'd leave her love behind
But Mary rode with me
On the highways of my mind.

Seen a million pretty girls
Pretty girls aren't hard to find
But she's a rare breed
I'm convinced Mary's just one of a kind.

Within my hand I hold the key
Do I dare to set her free
Got a feelin' in my mind
Got that she's just one of a kind.

Within the prison of my soul
Locked within my troubled mind
Is a love I can't forget
'Cause she's just one of a kind...
