Mother I'm leaving and I'm proud to go please don't be
grieving I love you so
Here in this pocket over my heart is the Bible you gave
me your gift as we part
My country needs me you know that's true pray for me
mother till this war is through
God will protect me you must be brave mother I thank
you for the Bible you gave
Mother I'm writing this letter to say I love my Bible I
read it each day
And when I read it my body's drawn near the blessed
scripture they love to hear
Mids all this turmoil of earthly things what peace and
comfort the Holy word brings
Mother don't worry I will be saved mother I thank you
for the Bible you gave
Mother when battle just has been won you'll have a
hero now for a son
I have been wounded left there for that God in his
mercy spared me instead
My Bible saved me it played its part it's stopped the
bullet aimed at my heart
Your blessed present my life has saved mother I thank
you for the Bible you gave
