Well, her eyes they sparkle  
Like the sandy dunes  
And her voice it rings  
Like all the latest tunes.

And when she speaks my name  
Her eyes fairly light up and shine  
She's my Arabian baby  
And maybe she'll soon be mine.

I've traveled this whole world over  
And never have I seen  
Such eyes, such lips, such lucious charms  
On such a lovely queen.

So with an eye to the future  
I will make my plans  
I'm a-gonna get a ring  
On a lilly white hand.

And I'll count all the pleasures  
Yhat I know will soon be mine  
And my Arabian baby and me  
Are gonna live just fine.

--- Instrumental ---

She puts all the princesses  
In the shade  
With her lips of fire  
And her eyes of jade.

And her charms as warm  
As the tingle of cherry wine  
She's my Arabian baby  
And maybe she'll soon be mine.

Well, I've got the license  
And the preacher man  
She's got the frills  
I'm gonna bring her a band.

And everybody will dance  
Till the sun begins to shine  
On the day that I make  
My Arabian baby all mine...
