Written by B. Peterson and B. Bergantine
Recorded by Hank Snow

Evening shadows make me blue
When each weary day is through
How I long to be with you, my happiness

Every day I reminisce
Dreaming of your tender kiss
Always thinking how I miss my happiness

A million years it seems
Have gone by since we shared our dreams
But IÃfÃçâ, -Ã...Ãill hold you again
ThereÃfÃçâ, -Ã...Ãill be no blue memories then

Whether skies are gray or blue
Any place on earth will do
Just as long as IÃfÃçâ, -Ã...Ãim with you, my
happiness

Whether skies are gray or blue
Any place on earth will do
Just as long as IÃfÃçâ, -Ã...Ãim with you, my
happiness
