Recorded by Hank Snow

When the western sun is sinking and the moon creeps
thru the sky
And the little doggies cuddle close and dream
Then I'll ride on down the canyon with a heart that's
light and free
For she's waiting there my Texas Blue Bonnet Queen

CHORUS

Golden lovelight shines, my darling, in your eyes so
bright and blue
Cause I know you'll always be like a prairie flower to me
And you'll never fade my Texas Blue Bonnet Queen
Riding down the trail together, my prairie flower and I
O'er sage brush sea our happy dreams we'll share
'Neath the moon in all its glory I'll whisper I love you
And we'll link two hearts in love together there.
