I'm just as blue as I can be  
Since Susie said goodbye to me  
My life is a failure, I see  
And she won't be my gal  
No mo', no mo', no mo', no mo' - no mo'

I'll pack my things in a grip  
Take me a long ocean trip  
Out on a great big steam ship  
She'll never see her daddy  
No mo', no mo' - no mo'

Still I hate to say farewell  
To my mammy and my sister Nell  
They're sure gonna cry  
When I tell that I ain't comin' home  
No mo', no mo' - no mo'

I may be sorry someday  
That I leave here and go away  
But they need not ask me stay  
For I'll never change my mind  
No mo', no mo' - no mo'

Now whether I'm right or wrong  
I'm gonna be gone before long  
And then I'll hush this crazy song  
And I never will sing  
No mo', no mo' - no mo'
