Now is the hour when we must say goodbye
Soon you'll be sailing far across the sea
While you're away oh then remember me
When you return you'll find me waiting here.

--- Instrumental ---

Sunset glow facing the west night
O'er the valley is creeping
Birds cuddle down in their nest
Soon all the world will be sleeping.

And now is the hour when we must say goodbye
Soon you'll be sailing far across the sea
While you're away oh then remember me
When you return you'll find me waiting here...
