When will my arms grow cold?  
When will your kiss grow old?  
When will I want to be free?  
Exactly one minute past eternity.

When will I make you blue  
Cheat and run around on you  
Throw away the love you've given me  
Exactly one minute past eternity.

Eternity is forever  
So darling have no fear  
My love for you will last  
And last a million, million years.

When will I say goodbye  
Break your heart and make you cry  
Tell you to forget about me  
Exactly one minute past eternity.

--- Instrumental ---

Eternity is forever  
So darling have no fear  
My love for you will last  
And last a million, million years.

When will I say goodbye  
Break your heart and make you cry  
Tell you to forget about me  
Exactly one minute past eternity.

Exactly one minute past eternity...
