You're the one rose that's left in my heart dear
I love you adore you I do
Each night through loveland we wander sweetheart
Telling love stories anew.

Then from a blue sky a dark cloud came rolling
Breaking my heart in two
But we vowed not to part I said from the start
You're the one rose that's left in my heart.

--- Instrumental ---

Then from a blue sky a dark cloud came rolling
Breaking my heart in two
But we vowed not to part I said from the start
You're the one rose that's left in my heart..
