"Paper Roses"

I realize the way your eyes deceived me
With tender looks that I mistook for love
So throw away the flowers that I sent you
And I'll send the kind that you remind me of.

Paper roses, paper roses,
Oh, how real those roses seem to be
But they're only imitation
Like your imitation love for me.

--- Instrumental ---

I thought that you would be a perfect lover
You seemed so full of sweetness after start
But like a big red rose that's made of paper
There isn't any sweetness in your heart.

Paper roses, paper roses
Oh, how real those roses seem to be
But they're only imitation
Like your imitation love for me...
