Written by John Kalapana-Leonpobar

Recorded by Hank Snow

Pearly Shells, from the ocean.  
shining in the sun, covering up the shore  
When I see them my heart tells me that I love you, More  
than all the  
little pearly shells.

For every grain of sand upon the beach,  
I got a kiss for you. And I've got more left over,  
for each star, that twinkles in the blue,  
Pearly Shells, from the ocean, shining in the sun,  
covering up the shore,  
When I see them, My heart tells me that I love you ,  
More than all the little Pearly Shells

MUSIC

For every grain of sand upon the beach,

I've got a kiss for you, and I've got more left over,  
for each star that twinkles in the blue.  
Pearly Shells, from the ocean, shining in the sun.  
covering up the shore, when I see them.  
My heart tells me that I love you ,  
more than all the little Pearly Shells  
more than all the little Pearly Shells
