Ramblin' rose, ramblin' rose
Why you ramble, no one knows
Wild and wind blown
That's how you've grown
Who can cling to a ramblin' rose?

Wild and wind blown
That's how you've grown
Who can cling to a ramblin' rose?

Ramble on, ramble on, ramble on
When you're ramblin' days are gone
Who will love you with a love true
When you're ramblin' days are through?

Ramblin' rose, ramblin' rose
Why I want you heaven knows
Though I love you with a love true
Who can cling to a ramblin' rose?

A ramblin' rose, a ramblin' rose
