Sun goes down, work's all done,  
Evenin' cheer at last  
Moon comes up behind the hills I love  
And I'm ridin' home, I'm ridin' home.

(See that lonesome cowboy  
Ridin' down that lonesome trail.)  
Moonlight shadows sway into the tune of my lonesome  
way  
Well, I'm ridin' home, I'm ridin' home.

--- Instrumental ---

Bed down doggies, rest awhile  
I'll be back tomorrow morn  
And take you down to where the waters flow  
But now I'm ridin' home, I'm ridin' home.

(See that lonesome cowboy  
Ridin' down that lonesome trail)  
Moonlight shadows sway into the tune of my lonesome  
way  
Well, I'm ridin' home, I'm ridin' home.

I'm ridin' home, I'm ridin' home...
