(He's ridin' home he's ridin' home)
Sun goes down work's all done evenin' cheer at last
Moon comes up behind the hills I love and I'm ridin'
home I'm ridin' home
(See that lonesome cowboy ridin' down that lonesome
trail)
Moonlight shadows sway into the tune of my lonesome
way
Well I'm ridin' home I'm ridin' home

Bid down doggies rest awhile I'll be back tomorrow
morn
And take you down to where the waters flew but now
I'm ridin' home I'm ridin' home
(See that lonesome cowboy ridin' down that lonesome
trail)
Moonlight shadows...
I'm ridin' home I'm ridin' home
