Fallin' in love is still something quiet strange to my
heart
This is the first time for me and I'm new at the part
So my love if I say it I do little things I don't mean to say
or do
Remember I love you and I'll make it all up to you.

Darlin' Rome wasn't built in a day
Amoure nonroman enjourno
Love that's true grows with each passing day
Amoure nonroman enjourno.

--- Instrumental ---

If ever a dark cloud surrounds us to darken the blue
Remember the sunshine of our love will come shinin'
through
Into life rain must fall and it falls just as sure as the rain
falls from above
Bringin' the roses and thorns to the spring of our love.

Darlin' Rome wasn't built in a day
Amoure nonroman enjourno
Love that's true grows with each passing day
Amoure nonroman enjourno.

Amoure non roman enjourno...
