She wears my my ring to show the world that she
belongs to me

She wears my ring to show the world she's mine
eternaly

With loving care I place it on her finger
To show my love for all the world to see.

(This tiny ring is a token of tender emotion
An endless pool of love that's as deep as the ocean)
She swears to wear it with eternal devotion
That's why I sing because she wears my ring.

--- Instrumental ---

She swears to wear it with eternal devotion
That's why I sing because she wears my ring...
