Well, I never felt more like singing the blues  
'Cause I never thought that I'd ever lose  
Your love dear why'd you do me this way  
Well, I never felt more like crying all night.

'Cause everything's wrong and nothing ain't right  
Without you you got me singing the blues  
The moon and stars no longer shine  
The dream is gone I thought was mine.

There's nothing left for me to do but cry over you  
Well, I never felt more like running away  
But why should I go cause I couldn't stay  
Without you you got me singing the blues.

Well, I never felt more like singing the blues  
'Cause I never thought that I'd ever lose  
Your love dear why'd you do me this way  
Well, I never felt more like crying all night..
