Sittin' in an all nite cafe in a booth back in the corner
Making paper wads from napkins throwin' toothpicks on
the floor
Got a problem I can't solve so I'm gonna sit till I figure
out
The reason why my baby doesn't love me anymore.

It can't be another woman 'cause I never looked at any
one
As long as I've been knowin' her and that's a long long
time
Drank a hundred cups of coffee and I just began
another then
I'll get myself an ulcer for I get her off my mind.

--- Instrumental ---

Sittin' in an all nite cafe listenin' to the jukebox playin'
Overhead the waitress saying wonder why you don't go
home
Bet my baby's out with someone laughin' dancin' and
romancin'
And I'll bet she never thinks about me sittin' here alone.

It can't be another woman 'cause I never looked at any
one
As long as I've been knowin' her and that's a long long
time
Drank a hundred cups of coffee and I just began
another then
I'll get myself an ulcer for I get her off my mind...
