Hear the clickety clack  
Of the railroad track  
Means the wheels are rollin'  
And I'm goin' back.

To the girl I left in a rundown shack, I'm southbound  
As the miles rush by I miss her more and more  
Tears in my eyes and my heart is sore  
Soon I'll be a knockin' on her front door, I'm  
southbound.

Southbound to my baby, southbound I'm nearly crazy  
Gonna take her in my arms and never let her go  
Never gonna leave her, never ever anymore  
Soon I'll be a knockin' on her front door, I'm  
southbound.

--- Instrumental ---

Now the rhythm of the wheels  
Call a memory  
Every mile it comes  
A little closer to me.

Soon it's gonna be reality, I'm southbound  
My heart keeps saying boy you made a mistake  
Thought you was a rambler but you're only a fake  
This'll be the last trip I'm a gonna make, I'm  
southbound.

Southbound to my baby, southbound I'm nearly crazy  
Gonna take her in my arms and never let her go  
Never gonna leave her, never ever anymore  
Soon I'll be a knockin' on her front door, I'm  
southbound.

--- Instrumental ---

Now the night that I left her,  
Well, she pleaded with me  
I know that you're leavin'  
But it has to be.

I'm hopin' that she is a waitin' for me, I'm southbound  
It's hard to wait till I can see her face  
I still remember how her sweet lips taste  
Not another day am I gonna waste, I'm southbound.

(Southbound to my baby, southbound, I'm nearly crazy)  
Gonna take her in my arms and never let her go  
Never gonna leave her never ever anymore  
Soon I'll be a knockin' on her front door, I'm  
southbound.

--- Instrumental ---
