I gave my dog to Uncle Sam in 1943  
He sailed across the sea and died for liberty  
Now that you are sending hero's home I just can't  
understand  
Why don't you send my dog home Uncle Sam?

It's true no more he'll lead me as he did in days of yore  
He'll never be a blind boy's pal no more  
But I know that he gets lonesome sleeping in some  
distant land  
Please won't you send my dog home Uncle Sam?

--- Instrumental ---

I gave my dog to Uncle Sam he was so strong and  
smart  
We knew right from the start that we should do our part  
They wrote he died a hero t'was in the telegram  
Please won't you send my dog home Uncle Sam?

He'll sleep beneath Old Glory right here on daddy's  
farm  
I'll be close by to keep him from all harm  
No one knows how much I miss him and how lonesome  
now I am  
Please won't you send my dog home Uncle Sam?...
