If I walk in the pathway of duty  
If I work till the close of the day  
I shall see the great king in his beauty  
When I've gone the last mile of the way.

When I've gone the last mile of the way  
I will rest at the close of the day  
And I know there are joys that await me  
When I've gone the last mile of the way.

--- Instrumental ---

And if here I have earnestly striven  
And have tried in his will to obey  
Twill enhance all the rapture of heaven  
When I've gone the last mile of the way.

When I've gone the last mile of the way  
I will rest at the close of the day  
And I know there are joys that await me  
When I've gone the last mile of the way...
