I got a letter from the court this morning,  
filled with big wordslawyers seem to use  
They say tat you have cused me of neglect,dear,And  
with trembling hand I  
am writing you.  
The party of the second partis very sad and blue,And  
wonders if the  
party of the first  
part is lonely too,  
The party of the second partwould give  
the world to win,The party of the first part  
back again.  
They say that I have wronged you and the're  
right dear,I took for granted,love so sweet and true.But  
I have learned  
through many sleepless  
nights dear,The party of te second part loves you.  
The party of the second part is very sad and blue,And  
wonders if the  
party of the first parts  
lonelytoo,The party of the second part would give the  
world to win,The  
party of the first part back again.
