Last night as I lay sleeping I dreamed a dream so fair  
I dreamed about my darling a rose was in her hair  
I dreamed I left this prison started life anew  
She told me that she loved me told me her love was true.

It was only a dream, just a prisoner's dream  
As I lay on my cold prison bed  
My dreams of you can never come true  
Dear girl, I wish that I was dead.

I dreamed she called me darling kissed me and held me tight  
I dreamed that we were married dreamed of a starry night  
I dreamed about our children playing around my knee  
They loved me called me daddy they thought the world of me.

It was only a dream, just a prisoner's dream  
As I lay on my cold prison bed  
My dreams of you can never come true  
Dear girl, I wish that I was dead.

I dreamed a dream so lovely heaven on earth it seemed  
My wife and little children came to me in my dreams  
They threw their arms around me I was their pride and joy  
My little wife she loved me I was her darling boy.

It was only a dream, just a prisoner's dream  
As I lay on my cold prison bed  
My dreams of you can never come true  
Dear girl, I wish that I was dead...
