I had a dream last night  
I thought my good gal had gone  
I woke up this morning  
She really had done me wrong  
I know it's not fair but  
My good gal has done caught air.

Well, I'm goin' away, leavin' today  
I'm gonna bring my baby back  
If that eight wheel driver  
Don't jump the railroad track  
I'll take her from that man  
Bring her home if I can.

--- Instrumental ---

It's true my baby's gone  
I know it won't be long  
We'll both be on that train  
My baby's comin' home again  
She's been travelin' around  
But now she has thrown him down.

--- Instrumental ---

I'm goin' away leavin' today  
I'm gonna bring my baby back  
If that eight wheel driver  
Don't jump the railroad track  
I'll take her from that man  
Bring her home if I can...
