I rode a freight train to El Paso Texas  
Happiness I was tryin' so hard to find  
Walked across the Rio Grande to another country  
Trying to get my baby off my mind.  
Trying to get my baby off my mind.

They tell me that she's out in California  
Sometimes I think she's still walking by my side  
I know another's world now she lives in  
I'm trying to get my baby off my mind.  
I'm trying to get my baby off my mind.

I hear that she has gone and wed another  
I know now a new love's hard to find  
I walk the streets all night in El Paso  
Trying to get my baby off my mind.  
Lord, I'm trying to get my baby off my mind.

--- Instrumental Steel - piano ---

I can hear that mornful whistle of the freight train  
Moanin' out his lonesome highball sigh  
So now I'm on my way out to California  
Trying to get my baby off my mind.  
I'm trying to get my baby off my mind.  
Trying to get my baby off my mind

I'm trying to get my baby off my mind.  
Trying to get my baby off my mind.  
I'm trying to get my baby off my mind...
